

A roof coating to reduce your...

- Fuel bills
- Carbon footprint
- Environmental impact

## Protect the environment

**Decor8**  
Northern Limited

The sole UK stockist and distributor  
for Iso Seal and IsoNit roof coatings

Iso Paint Nordic have been awarded the **EU Flower** for best environmental performance and superior product performance

Iso Paint Nordic have been awarded **ISO 9001** Quality Management Standard **ISO 14001** Environmental Systems

Nordic contributes 2% of the purchase price to the World Wildlife Federation

## Iso Seal Thermal Roofcoating

**CALL 0161 763 7007**  
**FOR PRICING AND SUPPLY**  
**IN YOUR AREA**

- 100% pure acrylic resin for best performance
- Over 30 years history in roofcoating manufacture
- 5 year manufacturer product guarantee
- Life expectancy in excess of 10 years
- Water and dirt repellent
- High spreading rate 90-100 sq mtrs per 20ltr drum
- Can be applied direct to clay roof tiles (has an inbuilt primer)

**ISO SEAL THERMAL ROOFCOATING**  
**MADE IN DENMARK EXCLUSIVELY**  
**FOR THE BRITISH CLIMATE**

**REDUCE**  
**CO<sub>2</sub>**

- Fully certified insulating roof coating
- Proven insulating properties
- ISO 9001 quality control certified
- ISO 14001 environmental control certified

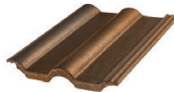

Iso Seal Thermal is a special roof coating with unique properties used to insulate roof tiles. Iso Seal Thermal is based on Thermo-Stabilising binding agents with high adhesive power and U.V. stabilisers and the latest generation of special insulating ceramic pigments used in the space industry for heat proof and insulating coatings.

### Thermal Insulation Values

Test result for loft insulation is **0.038 watts** per mtr Kelvin

Test result for Iso Seal Thermal is **0.119 watts** per mtr Kelvin

Testing results from the Danish Technological Institute comparative to loft insulation

### Colour availability

Red Brown

Dark Brown

Anthracite Grey

Winter Green

Mocha

DISCOVER HOW TO  
**REDUCE HOUSEHOLD ENERGY BILLS**  
WHILE PROTECTING  
**OUR ENVIRONMENT**

## Certified

How we meet and exceed norms

- ✓ Adhesive strength in accordance with DIN EN ISO 4624
- ✓ Elongation at tear/tensile strength in accordance with DIN 53 504
- ✓ Water vapour permeability in accordance with DIN EN ISO 7783-2
- ✓ Water permeability in accordance with DIN EN ISO 1062-3
- ✓ Short and outdoor weathering exposure in accordance with DIN EN ISO 4892-3, DIN 53 166 and DIN EN ISO 2810  
No change in durability and negligible changes in shine and colour.
- ✓ Resistance against flying embers, sparks and radiating heat in accordance DIN 4102 Part 7

### Continuous testing and development

Isonit meets and exceeds norms for protection against UV radiation, pollution and temperature deviation on the roof.

Iso Paint Nordic will continuously test and develop Isonit and the rest of our coating solutions in close cooperation with leading laboratories in Europe.
